About Me

I am a B.Tech student passionate about programming, web development, sketching, and business. I also have a strong interest in language translation, including Kokborok, English, German, Bengali, and Hindi. I enjoy solving problems, learning new technologies, and exploring creative ideas. Eager to apply my skills in real-world projects and grow in a dynamic environment.

WORK EXPERIENCE

Cyber Security (2025-present)

- Gained hands-on experience in vulnerability scanning and penetration testing using tools like Kali Linux, Nessus, OWASP ZAP, Burp Suite, and TheFatRat in a virtual lab environment.

Freelance Video Editor (2023-present)

- Edited videos for local clients.
- Improved video quality, added effects, and ensured smooth transitions.

Jr Hr Executive in InAmigos Foundation (2025-present)

- Managed and coordinated tasks for interns,
- assigned responsibilities, and evaluated their performance by maintaining timely feedback and scoring.

Founder & Owner – Nia Clothing, Thrifting & Online Store (2024 – Present)

- Manage an online clothing and thrifting business, handling sourcing, sales, and customer interactions.
- Market products through social media.
